Let's get retarded in here

And the bass keeps running, running and runnin'
runnin'
and runnin' runnin' and runnin' runnin' and runnin'
runnin'
and runnin' runnin' and runnin' runnin, and runnin'
runnnin' and

In this context, there's no disrespect
So when I bust my rhyme, you break ya necks
We got five minutes for us to disconnect
From all intellect and let the rhythm effect

Obstacles and inhibition follow your intuition
Free your inner soul and break away from tradition
Cause when we be out, girlies pull the heat out
You wouldn't believe how we wow shit out
Burnin 'til it's burned out, turn it 'til it's turned out
Act up from North West East South

[chorus]

Everbody, everybody, just get into it, get stupid
Get retarded, get retarded, get retarded
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)
yeah

Lose control, up outta your soul
Don't move to fast, people, just take it slow
Don't get ahead, just jump into it
Y'all hear about it, the peas will do it
Get started, get stupid
Don't worry about it, people will walk you through it
Step by step like your into new kid
Inch by inch with the new solution
Transmit hits with no delusion
The feeling's irresistible and thats how we move it

[chorus]

Everbody, everybody, just get into it, get stupid
Get retarded, get retarded, get retarded
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)

Runnin' runnin' and runnin' runnin' and runnin' runnin'

Let's get ill, thats the deal
Apl the gate, and Will bring the thugged out drill (just)
Lose your mind, this is the time
Y'all can't stand still, trust and bang your spine (just)
Bob your head like epilepsy
Up inside the club or in your Bentley
Get messy, loud and sick
You mind pass normal or another head trip
So, come them now, do not correct it
Let's get ignorant, let's get hectic

[Chorus]

Everbody, everybody, just get into it, get stupid
Get retarded, get retarded, get retarded
Let's get retarded, (ha) let's get retarded (in here)
Let's get retarded, (ha) let's get retarded (in here)
