[Will.I.Am]

Yeah, that's funky, funky

Yeah, that's funky, funky

Yeah, that's funky, funky

[Will.I.Am & Fergie]

If it smells like Funk it must be us

The funk, funk, funk, fat stinky stanky stuff

If it smells like Funk it must be us

The funk, funk, funk, fat stinky stanky stuff

If it smells like Funk it must be us

The funk, funk, funk, fat stinky stanky stuff

If it smells like Funk it must be us

Cause nobody's funky as us, cause we keep it stinky,  
stinky

We keep it stinky, stinky

We keep it stinky, stinky

We keep it stinky, stinky, stinky, stinky, stinky

[Will.I.Am]

The funk phenomenon, we funk you on and on

There's no need to hold your nose cause this pong sing  
like a rose

[Taboo]

Big booty funk, toe jam funk

Underarm funk, like you headlockin' a skunk

Reaking like diseased athlete's feet

The stench didn't come till after this beat

Smellin' like drawers, no weezin', no pause

Put your hands up on the speakers get smelly ass paws

You knew we was coming before we entered the door

Cause you could smell the rhyme when we was walkin'  
down the hall

We bring the funk worse than a wet dog

Stinkin' like fat ladies shittin' out hogs

We drop enough shit and keep them toilets clogged

Keep the people jumpin' like the bullfrogs

The first one who smelt it ain't the one who dealt it

Black Eyed Peas keep the scent blind like delta

Funky like onions you fryin', sure is funky, girl you ain't

lyin'

[Will.I.Am & Fergie]

If it smells like Funk it must be us  
The funk, funk, funk, fat stinky stanky stuff

The funk, funk, funk, fat stinky stanky stuff  
If it smells like Funk it must be us  
Cause nobody's funky as us, cause we keep it stinky,  
stinky  
We keep it stinky, stinky  
We keep it stinky, stinky  
We keep it stinky, stinky, stinky, stinky, stinky

[Will.I.Am]

Y'all, you funk'in' with the funk family  
The non fabricated factual faculty  
We formulatin' up in a factory  
Focusin' on the energy of fluid flow free  
We flawless, everything is fo' free  
We flourish and we flaunt our flavor freshly, ha  
Can you believe we flip the frequencies and  
Freak MC's, they leave all frantically, but  
Our intent is all to be friendly  
But they fightin' when we start the freestylin' frenzy  
I funk up your flat till your girlfriend beef  
Fillin' all anatomy, bringin' me flattery, ha  
She'll be diggin' these rhymes, phat ease beats  
Like cellulite lyrics, all flappy  
We bring the funk to your festivities  
If you think something stank then it must be the Peas

[Will.I.Am & Fergie]

If it smells like Funk it must be us  
The funk, funk, funk, fat stinky stanky stuff  
If it smells like Funk it must be us  
The funk, funk, funk, fat stinky stanky stuff  
If it smells like Funk it must be us  
The funk, funk, funk, fat stinky stanky stuff  
If it smells like Funk it must be us  
Cause nobody's funky as us, cause we keep it stinky,  
stinky  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la-la

[Apl.D.Ap]

Cellulite overweight stankin' MC's  
Stench smells so strong it's insanitary  
Cause you can sense me a mile away so chunky

With the jungle funk sound from Seringhetti  
Meaty, fat, nasty like Ms. Fat Booty's tights  
Gettin' dirty like mudfights and dirtbikes  
Turning these drawers black that used to be white  
And we shittin' on these tracks that you gonna need to  
wipe  
The odour's so contagiuous that it shows up in your  
dream  
Man you could pick me out like food in between  
Your two front teeth cause you be lacking the streets  
We got beefy ass beats that we bumpin' in the streets  
We salty, not sweet, like stank boxing feet  
Sour underarm funk you ain't washed in a week  
And man we be reakin' every day and weekend  
We could all bounce to the funk and the season

[Will.I.Am]

Bounce, bounce, bounce, hahahaha  
Yeah that's funky, yeah that's funky  
If you smellin' somethin' funky then you know  
It gotta be nobody other than Apl, Will and Taboo  
Cause you know that  
If it smells like funk then it must be us  
If you smellin' fat funk then it must be us  
If you smellin' somethin' funky then you know  
It gotta be nobody other than Apl, Will and Taboo  
Cause you know that  
If it smells like funk then it must be us  
If you smellin' elephants then it must be us  
If you smellin' somethin' funky then you know  
It gotta be nobody other than Apl, Will and Taboo  
Cause you know that  
If it smells like funk then it must be us  
If you smellin' elephant shit then it must be us
