[Fergie]

Mmm

La-la-la-la-la-la-la-la-la-la-la

La-la-la-la-la-la-la-la-la-la-la

La-la-la-la-la-la-la-la-la-la-la

Mmm

[Will.I.Am & Fergie]

You was foolin' me once before, but I tell ya

There's no foolin' me twice no more

Cos when I open up my third eye, my third eye

I get away with murder, murder (yeah)

You was foolin' me once before, but I tell ya

There's no foolin' me twice no more

Just stop your oppression, oppression

Check it out, I got a question, a question

Push is Pinnochio, Pinnochio

Who the hell is Gepetto, Gepetto

Beware of Gepetto

[Will.I.Am]

Cos he got knives and clips

And a bag of that shit

With two crucifix

And he's got your back won't flick

Give it to your brother as a necklace for Christmas

Welcome to the valley of the beast

Where they sing in harmony, where they speak no
peace

Keeping an eye on the fedder, your cheddar

Things that ain't really for the better

I could point out the behaviour

To keep your meal from the poisonous flavor

Then would you call, I can't say

Let me make up your mind so you're in the door
danger

He can sell sand to Iran

Ice to an eskimo, water to a dam

He's a killer up for ?

The one who taught him how to stab

[Will.I.Am & Fergie]

He was fooling me once before but I tell you
There's no fooling me twice no more
Cause when I open up my third eye, my third eye
I get away with murder, with murder
Know what I'm saying

[Fergie]

No, no, no, no, no, no
Can't fool me again, no, no, no, no, no
I'm into games you play
I know your game, no, no, no, no, no, no
Don't fall down again, no, no, no, no, no, no
Won't trip on games you play
I know your game

[Will.I.Am] (Fergie)

You can fool me once (no, no)
But you can't fool me two times (no, no)
Cause I got three eyes (yeah, yeah)
One up from the left side (yeah, yeah)
The other from the right side (yeah, yeah)
One eye on the inside (yeah, yeah)
And I can see you outside (no, no)
Plotting to come in

[Fergie] (Will.I.Am)

La-la-la-la-la-la-la-la (you can't fool me)
La-la-la-la-la-la-la-la (you can't do me)
La-la-la-la-la-la-la-la (you can't run through me)
Mmm (yeah)

[Fergie]

La, la, la, la, la
La, la, la, la, la

[Fergie]

Sometimes we need to change, to change, to change
Leave the past behind, leave the past behind, or shall
we
Look into the future, look ahead, that's right
