Round round.....
I get around round.....
Round.....
Round.....
Round.....

Round round get around
I get around
Yeah
Get around round round I get around
I get around

Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread
Get around round round I get around...

Noise and music.....
