I got trouble, I got trouble, I got trouble
I got you
I'm getting nothing, I'm getting nothing, I'm getting
nothing
But trouble from you
And I got trouble

I got something, I got something, I got something
I gotta do
It ain't loving, it ain't loving, it ain't loving
Baby it ain't you
And I got trouble
I got you ohhhh!

[Chorus]
Feel It like It's all I wanna do
Feel It like It's all I wanna do
Feel It like It's all I wanna do
Feel It like It's all I wanna do
Let's go!

I got nowhere, I got nowhere, I got nowhere
I gotta go
I've been waiting, I've been waiting, I'm sick of waiting
And I'm ready to blow
I got trouble
I got you ohhhh!

[Chorus]
You say that I will treat you right
Tell I'm always going out at night
But if there's one thing I'll never do
I wanna feel it gonna like it gonna
I gotta feel you!
Yeah! Yeah!

Feels like, feels just like I like it [x3]
Yeah! Feels-feels feels just like I like it, yeah!

Feel It like It's all I wanna do [x4]

I got trouble, I got trouble, I got trouble
I got you!
I got you!
