The First Time I Looked In Your Eyes, I Knew You Had
My Heart
I Couldn't Breathe My Knees Were Weak, You Had Me
From The Start
I Never Felt True Love Like This, Never Met Someone
Like You
I'll Love You Endlessly, I'll Always Be True

I Know I'll Love You For The Rest Of My Life And
I Know I Always Will Be By Your Side

Every Little Thing You Say, Every Little Thing You Do
It Justs Blows My Mind
Everything About You, Everyday You Make Me Laugh
Everyday You Make Me Smile
Oooo You Make Me Crazy I'm So In Love With You

... In Love... Love... In Love... Love... I'm So In... So In
Love...

Dedicated To You...

I Sometimes Sit And Think Of How My Life Would Be
If You Weren't By My Side I'd Live In Misery

Your My Lover You, Your My Best Friend, You Make Me
Complete
And I'm So Lucky That You Chosen Me, Were Destiny

Every Little Thing You Say, Every Little Thing You Do
It Justs Blows My Mind
Everything About You, Everyday You Make Me Laugh
Everyday You Make Me Smile
Oooo You Make Me Crazy I'm So In Love With You

If We Ever Fell Apart, You Would Take Away My Heart,
I'd Would Never
Love Again, Oh Baby, Oh Baby

Every Little Thing You Say, Every Little Thing You Do
It Justs Blows My Mind
Everything About You, Everyday You Make Me Laugh
Everyday You Make Me Smile

Oooo You Make Me Crazy I'm So In Love With You
