Push it good

Now push it real good

(Uh baby baby
Baby baby
Uh baby baby
Baby baby)

Back in the ring
A different beat
A brand new scheme
Standed up to claim my fame
To tell the world's down

There ain't no doubt
You should know
Who's on top of the show
I'm back up at radio
To let it all out

Let it all out
Oh push it
Let it all out
Now push it real good

(Push it, push push it...)

(Uh baby baby
Baby baby)

Dropped from decay
Good "he sucks" you cast on me
I guess got banned from the lay
'Cause I was too low

(All ready, computer)

(Bring the beat back)

Bound to you drop
Cruise them beats 'til you pop
Claim that soft
That's all rock
Let it all out

Let it all out
Oh come on now, push it
Let it all out

(Uh baby baby)
Now push it real good
(Uh baby baby
Baby baby
Baby baby)

Hi
To all you the rocky radios up there
To all you her-hot
Rockstars out there
Watch me now

(Push push it
Push push it
Now push it real good
Push push it
Now push it real good
Push push it)

Now push it real good
Yeah-yeah-yeah-yeah push it real good

Let it all out
Ah push it
Let it all out
Now, now, now

(Uh baby baby)
Now push it real good
(Uh baby baby
Baby baby)
Push it
(Baby baby)

Now push it real good
(Uh baby baby
Baby baby)

Uh
