Ah right, come on

So there's a rap that can make you feel so good
You're in my dreams
I've been dreaming of that girl of days ago
Hopeless ever
I remind it every hour
On a warm summer day
Let's be club in the shower
Touching your body
And touching your lips
You know that CD
And that is why I never quit
Ya, I make for you
And you make for me
Proving to one thing

Your fantasy will come do

Everybody on the dancefloor

Yeah you

Yeah you

Get your hands up in the air now
