i finally got the nerves to say what needed to be said  
for a while  
no longer can i hide behind a smile  
pretending everything is ok when that really is not the  
case  
i know something's wrong, girl something ain't right  
this time i can't say we gone be alright  
but what i do know is my feelings for you still remains  
the same

we did got too used to  
we did got too used to babe  
we did got too used to  
girl i don't know, i don't know, i don't know  
but i did got used to you,  
you got used to me

we did got too used to  
we did got too used to babe  
we did got too used to  
girl i don't know, i don't know, i don't know  
but i did got used to you,  
you got used to me

nobody ever said it would be easy  
some fairy tale love, see that's just on t.v  
everything's all good but then you get used to  
all them little things that made me love you  
(oh) look at what we've done to our love  
(no) i'm not ready to just give up  
on you and on me, this ain't how i want it to be  
but we just got too used, too used ..

we did got too used to  
we did got too used to  
girl i don't know, i don't know, i don't know  
but i did got used to you,  
you got used to me

we did got too used to  
we did got too used to babe

we did got too used to  
girl i don't know, i don't know, i don't know  
but i did got used to you,  
you got used to me

this is my heart talking to you right now  
i need you to rock with me baby right now  
we got something good i don't wanna lose out no, no  
this is my heart talking to you right now  
i need you to rock with me baby right now  
we got something good i don't wanna lose out  
i don't wanna lose out no, no

we did got too used to  
we did got too used to babe  
we did got too used to  
girl i don't know, i don't know, i don't know  
but i did got used to you,  
you got used to me

we did got too used to  
we did got too used to babe  
we did got too used to  
girl i don't know, i don't know, i don't know  
but i did got used to you,  
you got used to me

girl i don't know, i don't know  
what happened baby to us  
i guess we got used to it,  
i guess we got used to it,  
i guess we got used to it
