Last night i had a dream..  
That i lost everything..  
You weren't here with me..  
My life was incomplete..  
Because we had a fight..  
I left and than you cried..  
Now i wake up to find..  
you right here by my side..

(See i..)

[Chorus]

See we can't stay mad for 2 long..  
This thing we have is 2 strong...  
Even when we don't get along..  
We always come around..  
Because it's just...

Me, you, we, us, togheter, apart, whatever, until it's  
done..  
Me, you, we, just..  
Leave just 2 come right back again..

Leave just 2 come right back again..  
Leave just 2 come right back again..  
Leave just 2 come..  
Leave just 2 come..  
Leave just 2 come right back again..

This has 2 be..  
The hardest thing for me (So hard for me..)  
2 realise i can be...  
Too blind 2 even see..  
Sometimes we get angry..  
Enough that we both go crazy..  
And we try 2 go our seperate ways..  
Everytime we leave..

(It's time for love..)

[Chorus]

See we can't stay mad for 2 long..  
This thing we have is 2 strong...
