Too much of anything can make you sick
Even the good could be a curse, curse.
Makes it hard to know which road to go down
Knowin' too much could get you hurt.

Is it better?
Is it worse?
Are we sittin' in reverse?
It's just like we're goin' backwards (backwards)
I know where I want this to go
We're drivin' fast but let's go slow
What I don't wanna do is crash slow..

Just know that you're not in this thing alone
There's always a place in me where you can come
home.
Whenever you feel like we're growing apart
Let's just go back (back back back back) to the start..
aAh

-CHORUS-

Anything that's worth havin'
Is sure enough worth fighting for.
Quitting's out of the question
When its gets tough gotta fight some more
We gotta fight (fight fight fight fight) for this love
We gotta fight (fight fight fight fight) for this love
We gotta fight (fight fight fight fight) for this love
it's worth havin', it's worth fighting for. aAaah

Now everyday ain't gon' be no picnic,
Love ain't no walk in the park.
All you can do is make the best of it now,
Can't be afraid of the dark (dark)
Just know that you're not in this thing alone
There's always a place in me where you can come
home.
Whenever you feel like we're growing apart
Let's just go back (back back back back) to the start..
Ooh

-CHORUS-

Anything that's worth havin'
Is sure enough worth fighting for.
Quitting's out of the question
when it gets tough gotta fight some more
We gotta fight (fight fight fight fight) for this love
We gotta fight (fight fight fight fight) for this love
We gotta fight (fight fight fight fight) for this love
it's worth havin', it's worth fighting for.
I don't know where we're headin'
Im willing, I'm ready to go.
We've been drivin' too fast
We just need to slow down and just roOoOoOll

-CHORUS-

Anything that's worth havin'
Is sure enough worth fighting for
Quitting's out of the question
when its gets tough gotta fight some more
We gotta fight (fight fight fight fight) for this love
We gotta fight (fight fight fight fight) for this love
We gotta fight (fight fight fight fight) for this love
it's worth havin', it's worth fighting for. >> to fade
