Every time I think your sad,
I just make a funny face (Make a funny face, yeah)
Even when I make you mad,
I put on my funny face (On my funny face)
I like it when you smile (I like it when you smile)
I love it when you laugh (I love it when you laugh)
I love it when you do it too,
So lemme see your funny face (See your funny face,
yeah)

Baby, wipe them tears
Cuz I dont wanna see you cry
And I dont want you thinkin' im a bad guy
Sometimes I say some things, that I dont really mean
The last thing that I want is you mad at me (At me,
yeah)

What I gotta do
To get a smile outta you
Make my lips touch my nose
Cross my eyes until I go blind
Before I go blind

Every time I think your sad,
I just make a funny face (Make a funny face, yeah)
Even when I make you mad,
I put on my funny face (On my funny face)
I like it when you smile (I like it when you smile)
I love it when you laugh (I love it when you laugh)
I love it when you do it too,
So lemme see your funny face (See your funny face,
yeah)

It tickles me to see
U trying not to laugh at me
Cuz we both know
Your not as tough as you seem (Tough as you seem)
I know you wanna laugh, Come on (I know you wanna
laugh, Come on)
I know you wanna laugh, Come on (I know you wanna
laugh, Come on)

I know you wanna laugh, Come on (I know you wanna
laugh, Come on)
Laugh at me, Come on

Every time I think your sad,
I just make a funny face (Make a funny face, yeah)
Even when I make you mad,
I put on my funny face (On my funny face)
I like it when you smile (I like it when you smile)
I love it when you laugh (I love it when you laugh)
I love it when you do it too,
So lemme see your funny face (See your funny face,
yeah)

U stick your tounge out,
I stick mine out too
You roll your eyes and I laugh at you
U say I hate you, Say I love you, yeah (Yeah, yeah,
No matter what you do, I cant stay mad at you
You cant stay at me
So what are we gon' do
But make a funny face

Every time I think your sad,
I just make a funny face (Make a funny face, yeah)
Even when I make you mad,
I put on my funny face (On my funny face)
I like it when you smile (I like it when you smile)
I love it when you laugh (I love it when you laugh)
I love it when you do it too,
So lemme see your funny face (See your funny face,
yeah)
