I've got to get it together
I know we can weather
The rain the storm go through whatever
But lately things could be better
I'm feeling the pressure
And I'm got to catch up to you

I'm running, running, fast as I can,
I'm coming, reach out your hand,
With you I feel I'm a better man, better man,
Don't leave me out in the cold,
Baby you're all I know,
Girl I just need you to understand,

I'ma do, what I gotta do,
Cos I'm going crazy,
Without you baby,
I gotta move
Oh I'm bound'ta lose,
All that I got
Need you by my side

I gotta move
I gotta move
I gotta move, move, move

I gotta move
I gotta move
I gotta move, move, move

So this is the deal,
I need you for real,
Wherever you are,
Gotta be there
Back into your love,
Back to what it was,
Whatever it takes,
Girl, I don't care

I'm running, running, fast as I can,
I'm coming, reach out your hand,
With you I feel I'm a better man, better man,

Don't leave me out in the cold,
Baby you're all I know,
Girl I just need you to understand,

I'ma do, what I gotta do,
Cos I'm going crazy,
Without you baby,
I gotta move
Oh I'm bound'ta lose,
All that I got
Need you by my side

I gotta move
I gotta move
I gotta move, move, move

I gotta move
I gotta move
I gotta move, move, move

I can't go a day without you,
I'm all about you,
Girl you just took her too loose,
Don't make me choose,
Wait for me, I'll catch up to you
And you know it's true
Girl, I know this time I've been

I'ma do, what I gotta do,
Cos I'm going crazy,
Without you baby,
I gotta move
Oh I'm bound'ta lose,
All that I got
Need you by my side

I gotta move
I gotta move
I gotta move, move, move

I gotta move
I gotta move
I gotta move, move, move

I gotta move

I gotta move

I-I-I gotta move
