(Verse 1)

Thought we were perfect
Guess I was wrong
I'd be a fool to, try and hold on
To something that's going nowhere fast
And now we about to be a thing of the past

(Hook)

Guess this is what happens when you fall
Head over heels for
Someone you know you shouldn't have been with
Gotta be more careful with my heart
Make better decisions
So later on I don't gotta feel like this

(Chorus)

This is the last time you gon' see me like this
This is the last time that I'm gon' hurt like this
This is the last time, and you can bet on it
This is the last time you gon' break my heart
This is the last time (This is the last time)
This is the last time (This is the last time)
This is the last time (This is the last time)
This is the last time (This is the last time)
You gon' break my heart

(Verse 2)

Some tried to warn me, said I was blind
But I could see clearly just what they're tryn'
I know there was no future for us
Just didn't wanna be the first to give up (Oh no)

(Hook)

Guess this is what happens when you fall
Head over heels for
Someone you know you shouldn't have been with
Gotta be more careful with my heart
Make better decisions
So later on I don't gotta feel likethis

(Chorus)

This is the last time you gon' see me like this

This is the last time that I'm gon' hurt like this
This is the last time, and you can bet on it
This is the last time you gon' break my heart
This is the last time (This is the last time)
This is the last time (This is the last time)
This is the last time (This is the last time)
This is the last time (This is the last time)
You gon' break my heart

(This is the last time) (repeats)

(Chorus)

This is the last time you gon' see me like this
This is the last time that I'm gon' hurt like this
This is the last time, and you can bet on it
This is the last time you gon' break my heart
This is the last time (This is the last time)
This is the last time (This is the last time)
This is the last time (This is the last time)
This is the last time (This is the last time)
You gon' break my heart
