(Somebody's someone, somebody's someone.)

Theres somebody for everyone, this I know.
I've seen the most amazing things from love before.
Can't wait 'til I experience that little piece of my own
someone.
Cause being with somebody is no walk in a park.
But I'm a trooper and I'm not afraid of the dark.
With things like this, you know, you know you gotta
have heart.
Just be patient.

(I know) That my special day is coming.
(I know) You know that's all I ever wanted.
(I know) I'm gonna be all that you wanted (Wanted,
wanted)
I bet money on it.
I wanna be part of the crowd, I want a love that's gonna
make me proud.
I think it's time I became somebody's someone
(Somebody's someone)
I know you're thinking I got a lot of nerve.
I just want what I know I deserve.
It's bout time I became somebody's someone.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.

I heard you shouldn't look for love, let it find you.
But I need to know if it comes to those who wait, so I
want proof.
Proof that all of my waiting hasn't been in vein.
im out of patience, patient.
We both know that commitment is no walk in the park.
Then with you by my side, I'm not afraid of the dark.
And I'm good enough now to give you my heart.
Go and take it.

(I know) That this is my special day has come.
(I know) You know that's all I ever wanted.
(I know) I'm gonna be all that you wanted (Wanted,
wanted)
I bet money on it.
I wanna be part of the crowd, I want a love that's gonna
make me proud.
I think it's time I became somebody's someone
(Somebody's someone)
I know you're thinking I got a lot of nerve.
I just want what I know I deserve.
It's bout time I became somebody's someone.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody.
(Somebody's someone) Somebody
