"And To Think"

All this time,
I looked up to you and then it turns out,
You were wrong,
So now I guess I'll just have to move on,
Plagued with regret I've still been growing up, all along,
Whatever it takes my will won't break,
I'll just have to be strong, I'll have to be stronger than
I've ever been
And the only person I have to prove it to is myself,
How bout you? stronger than, I've ever been,
For the betterment,
And the growth, of, our citizens,
I will change, and it's going to make the difference
