Oh oh,
Now I am drained, and I don't wanna run no more,
Think I've done enough for now, no,
you said you'd wait on the other side, yeah,
but I can't keep with the pace, that you set when we
began,
I, I don't wanna run no more, Said I think I've done
enough, yeah,
I want to understand the pain you put me through, yeah,
so I go out, and search for reasons why you are not
around me anymore,
I wonder if my leaving was your aim,
to keep me near, but never close enough for coming
home,

Don't buy me flowers, if you're gonna bring me roses,
Scar tissue's settling right where the other thorn is,
Don't come around here, if you're gonna leave me
hopeless,
Scar tissue's settling right where the other thorn is,

Oh, oh, Now I am drained, and I don't wanna run no
more,
Think I've done enough for now, no,
you said you'd wait on the other side, yeah,
but I can't keep with the pace, that you set when we
began, I,
I don't wanna run no more, said I think I've done
enough,

I need to find a way to deal with being the fool, yeah,
I'm getting by with hopes so high, I know that I will
crash eventually,
It's all the blur and tears I see through,
they let me smile, when they dry out I can see you
clear,

So, Don't buy me flowers, if you're gonna bring me
roses,
Scar tissue's settling right where the other thorn is,
Don't come around here, if you're gonna leave me

hopeless,
I'm done with trying, it's time I go and throw this,

Oh, oh, now I am drained, and I don't wanna run no
more,
Think I've done enough for now, no,
you said you'd wait on the other side, yeah
but I can't keep with the pace, that you set when we
began,
I, I don't wanna run no more, Said I think I've done
enough,
Yeah, has she or hasn't she, got everything I ever
wanted, has she, hasn't she, got everything that I want,
has she, hasn't she, got everything I ever wanted
