Seasons, my friend
Color me, so we can blend
Forbid me to go
I know so little about the wind when it blows

Dreamer, dreamer
I'm walking out of your dream

Take me off that parade
And place me somewhere
In your sense of a shades
Your night shuts my door
And I will not dream anymore

See if I can pass by that waiting hand
If I can pass by that wandering man
If I can leave to get on
See that it all makes sense pretty soon

Dreamer, dreamer
I'm walking out, while you go on

Dreamer, dreamer

Dreamer, dreamer
I'll be where I belong

Dreamer, dreamer

Dreamer, dreamer
I'm walking out, while you go on

Dreamer, dreamer
But dreamers don't come along

Dreamer, dreamer
I'll be where I belong

Dreamer, dreamer
Stop me if I'm wrong

Dreamer, dreamer

Dreamer, dreamer

Dreamer, dreamer

Dreamer, dreamer

Dreamer, dreamer

Dreamer, dreamer
