Darling, hold on to my love
Hold on to my touch a little bit more
For all affection that I've grudged you
For all loads I let you carry, I owe you

Ashamed to be someone who took you for granted
Who took and demanded the whole of you

So darling, hold on to my love
Hold on to my touch a little bit more
'Cause I'd be broken, I'd be broken
I'd be broken without you

All the visions would mean nothing
I need your touching into my soul

So darling, hold on to my love
Hold on to my touch a little bit more
'Cause I'd be broken, I'd be broken
I'd be broken without you

From now on I'll always share my loving mind
I'll put my heart into your soul
I'll be tender, I will defend for you
I'll give it all that belongs to you

'Cause I'd be broken, I'd be broken
I'd be broken without you
'Cause I'd be broken, I'd be broken
I'd be broken without you
