"Your way"

The things we have in common are
Feelings we repress
I find you in the darkness
Where lightness means less

And times when we're in need of touching
Are when tears could get there before
We are walking with pain
When we've seen people we adore

When?
Why?
Where?
When?

The things we're calling secrets
Are usually the way in
We go to sleep with the knowledge
That each mind has sins

Why?
Where?
When?

Times when we are lifted
The fall feels so high
We cry over beauty
It hurts to smile

My way is your way
Your way is mine
My way is your way
And your way is mine
