

The Sophomore Attempt "Bullet To Break The Ice"

The glass is fogging over
Leaving the painted lights
This wound is bleeding secrets
And pictures shattered life

I will take the back to where this started from
Iâ€™ll be the one to blame

I swear itâ€™s so reminded
It pictures what you think
I compare life to death
Itâ€™s half pain and half luck

I will take this back to where this started from
Iâ€™ll be the one to blame
The day surrenders to the night like I remember
But that can quickly change

I will breathe again the air thatâ€™s blinding
Iâ€™ll cross my heart and wait
I will dream the dream that keeps recurring
Iâ€™ll see you when I sleep
