Iâ€™m tired of empty days filled with druid  
misconceptions  
Of the words I sputter hopelessly for you  
Your promise is as gold, but youâ€™re more partial to  
silver  
Iâ€™d kill to be the locket that you string around your  
neck

Just start it over, make it right  
Make it tragic, paint it white  
You've got another chance to try  
Forget you're honest, and lie

I canâ€™t make good of any of this  
Empty space that you create  
With your lack of courage and your sense of style  
Itâ€™s so much better to have lost and hate  
Then to be void of all passion  
Youâ€™re compatible, but you are no machine

Just start it over, make it right  
Make it tragic, paint it white  
You've got another chance to try  
Forget you're honest, and lie

Forget me
