Inevitably  
But started to bleed  
And couldn't be stopped  
That's just his incredible luck  
To lift and be struck  
A curious thanks

A moment to think  
Before we both sing  
That beauty's a lie, so sweetly  
And don't be afraid  
Don't be afraid  
Don't be afraid

Does this look like there  
My pumpkin boy  
I'm crying again  
I've started again  
My pumpkin boy  
Don't miss you  
In hell  
What carnage you've left  
My pumpkin boy  
And now we're dead  
Remember your flesh  
My pumpkin boy  
To see you explain

Your soul's on rest  
What kind of brine is this  
Dry your, dry your eyes  
The salt is wide  
If burning flesh means  
Finding the one

Does this look like there  
My pumpkin boy  
I'm crying again  
I've started again  
My pumpkin boy  
Don't miss you

In hell  
What carnage you've left  
My pumpkin boy  
And now we're dead  
Remember your flesh  
My pumpkin boy  
To see you explain

(flesh is heretic. my body is a witch; i am burning it)

My pumpkin boy
