So let me get this straight  
Let me get this all out on the floor  
Because you know that Iâ€™m a sucker for everything  
you say  
And this rope around my neck isnâ€™t helping the  
pressure  
And the weekendâ€™s coming up  
I hope your party goes well without me  
I hope it all comes down

And I donâ€™t want to stay like this forever  
And I donâ€™t want to stay like this for now

I know you run a right ship  
You donâ€™t take any prisoners  
But Iâ€™m begging for my life  
Iâ€™m down on my knees give me my heart back  
Or at least a piece  
Because you took and ran  
And you didnâ€™t look back  
But it was worth the pain  
And worth the lack  
Of repetition and consequence

And I donâ€™t want to stay like this forever  
And I donâ€™t want to stay like this for now  
I canâ€™t go on
