

The Sophomore Attempt

"The Turn"

I thought
If I waited around
You'd come back
But I was wrong
And it's not the first time
So all I can do is apologize
And hope you hear me
"Oh, I'm so sorry"

And I don't see
The point of this
When all we're doing
Is avoiding loneliness

I hope you know
That it's not your fault
We fell apart
And I know
We're "better alone"
But I'll still say
This to your face
I'll scream every word
So I know you hear me
And I'm so sorry
(Oh no, we've gone
And messed this up)

I'll take the back door
And you take the front
And I will try my hardest
Just to let you forget

Let me say this one time
I swear
I'm changing every second
And for the better
