Hold the line  
Never retreat and never break  
I've tried  
But I'm addicted  
I can't lie  
Another step is in my sight  
Another step I'll see the light

I waited for you  
I waited so long  
Thought you'd be back  
Can't take anymore  
I waited for you  
I waited so long  
I'm not coming home

Trust your words  
Tell me your empty  
Cause you know it hurts  
Her eyes were spilling  
I was real  
Have I not held back the fight  
My body racing out tonight

I waited for you  
I waited so long  
Thought you'd be back  
Can't take anymore  
I waited for you  
I waited so long  
I'm not coming home  
Feel all alone

Take It Slow, You Tell Me, Sweetie  
Rest Here With Me

Don't Move  
I'll Fight Back, You Won't Expect It  
Now I Have To Leave You

I waited for you  
I waited so long (I waited so long for you)  
Thought you'd be back (You promised me the world when you returned)  
Can't take anymore (You're gonna come back empty handed)  
I waited for you (You think I'll be waiting for you)  
I waited so long (You better think again)  
I'm not coming home (You'd better wake up)  
Feel all alone (Cause You Know)

I waited for you  
I waited so long  
Thought you'd be back  
Can't take anymore  
I waited for you  
I waited so long  
I'm not coming home  
Feel all alone

I've always waited for you  
But don't expect to see me now  
You're little plan fell through  
Tell me what's wrong with you  
I've always waited for you  
But don't expect to see me now  
You're little plan fell through  
Tell me what's wrong with you
