Gangsta Boo

Pussy eatin' niggas,broke ass niggas

(Juicy J)

Hangin' on the corner wit' my nigga P
Just across the street
Walkin' up a freak
I heard her name Gretchen
Her pussy tight and gripping
Straight from the hood so we call her chicken
Lookin' like her mother, smellin' like her granny
Switchin' wit' a skirt
Never wearin' panties
Said she want a friend to screw her at summer inn
Hydro weed and a case of henn
Take her to a room, next thing ya know
A nigga hit the do' like he on that blow
I was havin' fun tryin' to get her tongue
Then he pulled a gun so I had to run
Call up on the boys smokin' on the pound
Rolled through his hood left him in the ground
Make another stop house of the slut
Walked in the crib beat the bitch up

Chorus-2x

(Gangsta Boo)
Chillin' in Miami
Where da bitch at
I'm layin' back
Restin' up to party a club where da stars at
You got that, don't act like you don't when you hit this
You know that, you licked on my pussy you trick bitch
So left bitch, you dig this my pimp shit is too thick
For me to be fuck with so fuck all that gossip
And watch this not topless but Boo bitch so sexy
God bless me, undress thee and open express thee
Lips of the pussy that got you niggas beggin'
(I) I don't give a fuck about you guys (guys)
Like an evil spy (spy)
(Why) Why should it matter
(If) If we out together night
When you wanna eat some pussy
Are you gonna call me or not (call me or not)
I do not love 'em though (though)
Ya'll know how the story goes (goes)
You why the fuck I put you lames (lames)
I be a better hoe (hoe)
Hoeing for my bitches that be representin'
I got ya back (I got ya back)
Cause I be representin'
Real shit bring the chorus back

Chorus-6x
