Ahh !
Girls (ahh!)

We are not crazy
We are not afraid of you grown-ups
We'll go ask the queen of this kingdom
If you wont let us play with screws and hammers
Boy,
We are not shady
We are not afraid of you adults
We'll go talk to king of this kingdom
If you wont let us play with dolls

Ahh x5

Now (we) boys play with pink girls at the break (are)
See they're not blindly stuck up with colours (not crazy)
And girls like to run with boys
In a muddy school garden(ahh x3)
And pick up frogs and worms
From the generous earth(earth, earth)

Girls and boys giggling & sharing
Let them young restless seeds
Choose their own toys
Girls and boys giggling & sharing

Ahh x3

We are not crazy x4
