When will you take me for a ride ?  
Why would you treat me like a child ?  
You have no idea who I am  
And when you will  
Would you run away  
But I know you won't  
Oh I know you won't  
Yeah I know you won't  
Oh I know, mmh mmh

First you turn down now you can't wait  
That's no surprise you're all the same  
You have no idea who I am and when you will  
You should run home to your mama  
But I know you won't

Oh I know you won't x3  
Oh I'm sure you won't  
No I know you won't

You say "you're my delight- but this aint right"  
I say " if you're afraid to play  
Why don't you leave go get some sleep  
Why do you keep sticking to me ? "

Sticking to me x2

Why don't you take me for a ride ?  
Oh  
I'm gonna have to let you down  
Well you're not my type anyway and if you were  
Mummy would kick me out  
Brother would lock me in baby  
But I know they won't

Oh I know they won't x3

Oh I'm sure they won't  
No I know they won't  
Yeah I know they won't  
Oh I know they won't
