False perception I bleed
The night dry I complicate.
Beautiful lies.
Can you see motion
Turn to cries and I see? Bloody wishes on
The floor(on the floor) Can you see me fading
Out? Can you see me?
Can you burn everything?
That once pertained my
Lost soul. Let go

And I caught fire in the sunlight
Burning like a candle at night.
No shadows to hide my eyes.
I caught fire in the sunlight.

Broken pictures I close my eyes. I
Circumgent innocent life.
Here I am tattooed to the wall and I am.
Blowing kisses towards the door(toward the door)
Can you see me?
Can you see me fading out? Can you burn
Everything? That once
Pertained to my lost soul.

Let go.

And I caught fire in the sunlight (sunlight)
burning like a candle at night.
No shadows to hide my eyes(my
Eyes) I caught fire in the sunlight.

Plastic
Heart melted in the shape of a knife (oh simulance)
I wont let you down (2x)

Let you down

And I caught fire in the sunlight
Burning like a candle at night
No shadows to hide ny eyes

I caught fire in the sunlight
