Call them lies
Every time you cry
We'll kill the thoughts that consume your mind
It's time to burn this masquerade
It's time to burn the broken hearts in your way
It's a mortal suicide
Drags us across all our cries

Let's call out to the dead
Let's turn it around
Bury the sound
Let's call out to the dead
Let's torture the crowd
Bury the sound

Breathe every chance you got
Destroying love that's a regret
It's time to burn this masquerade
And burn the broken hearts in your way
It's a mortal suicide
Drags us across all our lies

Let's call out to the dead
Let's turn it around
Bury the sound
Let's call out to the dead
Let's torture the crowd
Bury the sound

Forever our hearts bleed like this
Forever our bodies turn and twitch
Forever our hearts bleed like this
Forever our bodies turn and twitch!

Let's call out to the dead
Let's turn it around
Bury the sound
Let's call out to the dead
Let's torture the crowd
Bury the sound
