I know you want me
Sex, drugs, mutilation, thrills,
Worms in a box, choke purple pills
Choose me, I can be your whore
I am the creator, I am the faker
I am poison born

I know you want me
I know you need me
I am your drug of choice
Come say you'll use me up tonight
I don't blame you (x3)

Blood, sex and rock 'n roll(x3)
Burning lies die with black crows
Come stitch my flesh back to back to life

I know you want me
I know you need me
I am your drug of choice (x4)

Come say you'll use me up tonight
I don't blame you
(X2)

I don't blame you (x3)

Come say you'll use me up tonight
I don't blame you
(X2)

Is it bad to want?
Is it bad to want me?
Is it bad to want?
Is it bad to want me, baby?

I know you want me
I know you need me
I am your drug of choice (x3)

I don't blame you (x3)
