Call me what you will  
I will be disaster  
Everytime you look my way(look my way)  
I wont be the guy(the guy) that your heart is after  
Baby that's the only way(the only way)  
Hear me now  
Hear me now

We'll sacrifice our souls  
Will you drive this hearse  
Will you break curse  
And fall in love with me(fall in love with me)  
Will you hold on tight  
Until the time is right  
And set my heart free(set my heart free)  
Lipstick lies

Fall into it all  
I will come right after  
Cruel intentions lead the way(lead the way)  
I will justify(justify) almost every answer(answer) baby  
That's the only way(the only way)  
Hear me now  
Hear me now

We'll sacrifice our souls  
Will you drive this hearse  
Will you break this curse  
And fall in love with me(fall in love with me)  
Will you hold on tight  
Until the time is right  
And set my heart free(set my heart free)  
Lipstick lies

You're a lie(3x)

Will you drive this hearse  
Will you break this curse  
And fall in love with me(fall in love with me)  
Will you hold on tight  
Until the time is right

And set my heart free(set my heart free)  
Lipstick lies  
Lipstick lies  
Lipstick lies
