Like a mechanical God  
You walk the boulevard  
The smell of death in your hair  
You smile like a teenage antichrist  
With blood on both of your hands

You are the fallen  
Of demon birth  
You are the fallen  
In the Devil's church

You are the Star of 666  
You are the model of I don't give a shit  
You lick the crucifix  
Star of 666

Burn, motherfucker, burn (x4)

Like a maniacal bride  
You offer suicide  
The only simple way out  
You smile like a teenage antichrist  
With blood all over your mouth

You are the fallen  
Of demon birth  
You are the fallen  
In the Devil's church

You are the Star of 666  
You are the model of I don't give a shit  
You lick the crucifix  
Star of 666

Burn, motherfucker, burn (x4)

Now put your hands in the air  
And bow before your queen  
Say your prayers (x3)

Now put your hands in the air

And bow before your queen  
Say your prayers (x3)

You are the Star of 666  
You are the model of I don't give a shit  
You lick the crucifix  
Star of 666

Burn, motherfucker, burn (x4)

You are the Star of 666
