My lips start shakin' when I see him walkin' down the street
Of all the boys in school, he's the only one I wanna meet
If he combs his hair, all my girlfriends start 2 scream
He's so clean, he's the number one star of my wet dream
I get so angry if I see him with another dame
I start 2 tremble and I don't even know his name
If he takes her 2 the soda shop, guess who's gonna buy the ice cream?
She gives him all her money cuz he's the star of her wet dream

Can't help it, can't help it, can't help it
Ooh honey, honey, boy he's so fine
I can't help it, can't help it, can't help it
Ooh honey, honey, gotta, gotta make him mine

My body starts 2 quiver when I think of his next 2 mine
I know he could deliver the dam 2 the river anytime
He's so good lookin', he's the cutest dude I ever seen
He's my little lover, number one star of my wet dream

Can't help it, can't help it, can't help it
Ooh honey, honey, boy he's so fine
I can't help it, can't help it, can't help it
Ooh honey, honey, gotta, gotta make him mine

Oh yeah
Make my body scream
U're the star of my wet dream

Somebody, somebody, somebody help me sing
U're my little lover, make my body scream
U're my little lover, number one star of my wet dream
(Everybody sing 2gether)
U're my little lover, U make my body scream (Make my body scream)
U're my little lover, number one star of my wet dream
{repeat phrase}

Yes U is
(Everybody sing 2gether)
Yeah, yeah
(U're my star)
Oh honey, honey, honey, honey, uh
My wet dream, my wet dream, my wet dream
I can't help it, can't help it, can't help it
(U're my little lover, number one star of my wet dream)
Yeah, ooh ooh ooh
I can't help it, no, I can't (Make my body scream, yes U)
Honey, honey, honey, honey, honey, honey, honey
U're my little lover, U make my body scream
