You ran around with every girl in town.
You didn't even care if it got me down, uh uh.

Uh uh, hmm hmm, gonna get along without you now.
Uh uh, hmm hmm, I'm gonna get along without you
now.

You told me I was the nearest thing.
You even asked me to wear your ring.
You ran around with every girl in town.
You didn't even care if it got me down.

Uh uh, hmm hmm, gonna get along without you now.
Uh uh, hmm hmm, I'm gonna get along without you
now.
Got along without you before I met you.
Gonna get along without you now.
Gonna find somebody who is quite as cute
'Cause you didn't want me anyhow.

You told everybody that we were friends
But this is where our friendship ends
'Cause all of a sudden, you changed your tune.
You haven't been around since way last June.

Uh uh, hmm hmm, gonna get along without you now.
I got along without you before I met you.
Gonna get along without you now.
So long, bye honey, goodbye my dear.
I'm gonna get along without you now.

You told me I was the nearest thing.
You ran around with every girl in town.

You told everybody that we were friends
'Cause all of a sudden, you changed your tune.

Uh uh, hmm hmm, gonna get along without you now.
I got along without you before I met you.
Gonna get along without you now.
So long, bye honey, goodbye my dear.

I'm gonna get along without you now, ooh, yeah.
Ooh, yeah, uh uh, uh uh, gonna get along without you
now.
I got along without you before I met you.
Gonna get along without you now.
So long, bye honey, goodbye my dear.
I'm gonna get along without you now, ooh.
So long, bye honey, goodbye my dear.
I'm gonna get along without you now.
