Every tree in the park
Every leaf on the tree
Waves a welcome to me
When I walk in Vienna

Every tree in the park
Every leaf on the tree
Every star in the sky
Knows that I am in love

I'm in love with Vienna
I'm in love with Vienna
Every sight, every sound on the street
Is sweet and dear to me

I was born in Vienna
I was born in Vienna
With a waltz in my heart
And with a heart that has to sing
Sing about Vienna
Sing about her sights
And sing about her sounds
And sing about her nights
To her and to her life I ever will belong
For I'm a part of her song

I was born in Vienna
I was born in Vienna
With a waltz in my heart
And with a heart that has to sing
Sing about Vienna
Sing about her sights
And sing about her sounds
And sing about her nights
To her and to her life I ever will belong
For I'm a part of - her - song
