My heart is yours alone!  
I cannot be without you.  
Like a flower that wilts  
when unknissed by the sun!  
My most beautiful song is yours,  
for it is created out of love.  
Tell me once more, my one and only,  
oh tell me once more:  
I love you!

Wherever I am  
I feel you are near.  
I want to drink your breath  
and kneel adoringly at your feet,  
yours, yours alone! How wonderful  
is your shining hair!  
Dreamy and full of longing  
is your radiant gaze.  
Your voice is  
music to my ears.

My heart is yours alone etc.
