Drume dum du du rum...

You and Me

Drume dum du du rum...

Me and You

Everybody sing with me

Sing with me
Du ru ru dru ru ru ru...

Take me with you

I'll be by your side

Drume dum du du rum...

You and Me

Drume dum du du rum...

Me and You

Everybody sing with me

Sing with me

Du ru ru dru ru ru ru...

Fu fu fu fu...

Try to understand
Connect to tomorrow

Ring a bell, and call my name

Ring a bell, I'll call your name

Drume dum du du rum...

Drume dum du du rum...

Drop in a rhythm

Just let it go

Hear the sound of drum

You and Me

Dream of the angel's bell

Ring quietly

Hear the sound of peace

Me and You

Everybody sing with me

Sing with me

Du ru ru dru ru ru...

Sing with me, sing with me

Du ru ru dru ru ru ru...
