"Knights Of Doom"

This time no light will shine through
When skies are falling
The age of blood lust is dawning
My sole is seeking solace
Our bones are feeding the fire

Knights of doom
Blades cut deep
Knights of doom
At the gates

Through the night
Set our bodies ablaze
Turn the darkness to light
We are feeding the fire

Through the night
Set our bodies ablaze
Turn the darkness to light
We carry on

This time I stand alone among the demons
The battle for hope is calling
My eyes ablazed by fury
I'm armed with despair

Through the night
Set our bodies ablaze
Turn the darkness to light
We are feeding the fire

Through the night
Set our bodies ablaze
Turn the darkness to light
We carry on

Set our bodies ablaze
Turn the darkness to light

A battle for honor
A battle for grace

Oh!
