Blood is running cold  
Enchantment by haunted souls  
Savior welcome home  
Divide by the strings of conscience

The traitors of integrity have  
Ruined my fate  
Be my...

Savior in times of fear  
A burden so hard to bear  
Heed my cries  
The curse laid on my heart  
Like a pistol grip  
Extinguishing my iron will to live  
Feels like a sinking ship

Hatred steels my hope  
Impureness is taking it's toll  
Savior welcome home  
Divided by the strings of conscience  
Be my savior

Be my savior

The traitors of integrity have  
Ruined my fate  
Be my savior

Savior in times of fear  
A burden so hard to bear  
Heed my cries  
The curse laid on my heart  
Like a pistol grip  
Extinguishing my iron will to live  
Feels like a sinking ship
