"Where Is The Sun"

Buried in silence!
Shadows upon the world!
I am rejected!
Your intent is to hurt!

For years I was lost!
In darkness!
For years I was lost!
In the sands of time!

Where is the sun when all faith is gone!
It's in a shell inside of everyone!
Through shadows and fire!
I walk an endless path!

I walk alone through fire!
I am too deep inside this cave!
My eyes to the sky!
Desire!
No chance to sleep when there's no faith!

Where is the light!
And why are we alone!
Covered in darkness!
Beneath the winter's throne!

For years I was lost!
In darkness!
For years I was lost!
In the sands of time!

Never satisfied!
Hope is not in sight!

Never satisfied!
Hope is not in sight!

I walk alone through fire!
I am too deep inside this cave!
My eyes to the sky!
Desire!
No chance to sleep when there's no faith!
