Don't be hatin on me bitch(hatin on me)  
You just made me wanna switch(what)  
Made me(made me) wanna switch  
Beast mode, cunt  
Imma kick yo in yo ass, punt  
Haters, they always be my motivators  
You'll thank me later  
That I put you out this game  
Hater  
Just cause your "so-called" looks is lame  
No hips, no chest  
And look at the rest,  
You look exactly like a clown  
Look at urself up&down;, all around  
What you think u r, now  
A bitch?, naaaa

Hun, bitch don't start with me  
I can take you to the mofo'kin galaxy  
Go, just leave,  
Run away bride,  
Can't make up your mind  
And you thought you were the best  
Rhymin about me  
And what I believe  
You finish the rest  
Bitch, Probably won't be just as good as me

I, myself be earnin these stax  
Look like someone is wack  
Caught up inside a shack  
While I rest up inna mansion  
Being fed purple grapes in a chair  
While being painted on a canvas  
Sometimes things are pathetic  
You can't even afford a fukkin \$50 television  
You MUST be a broke bitch (broke bitch, what ya think?)  
Broke like playstation system  
Got princes treatin me like royalty  
I tip them, for services they tip me  
With nice things

Diamond Rings  
Â jingalings  
But don't forget bitch  
I ain't broke like you is  
At least I can get sum gucci shit  
While you stuck with faded glory  
Basic shit from dolla stores  
You a girl offa Maury  
This baby is urs, no bitch you the whore  
You cheatin on your man so you can get child support  
(wtf?)  
At least I'm reliable, Â  
The food that you cook in yo house ain't edible  
I'm a #1 star chefÂ  
I seen why your husband leftÂ  
Your just a stupid theft

Cho 2x

Hook  
I help support my man  
While your ass is stuck in ur baby daddy's place doin  
meth  
Well I'm about to switch  
Back to a lovin wife  
I love u baby  
A lady, a chef, a femaleÂ  
Â that's number one mothafukin bad ass bitch  
Yo  
Yo!
