Ye ye yeh yeh  
That's something right there  
Its him, dat nigga, my nigga dem niggas; don't get no  
bigga

Just fuckin aroun' in the booth  
Tell you a little something about dat nigga  
Tell you a little something about my nigga  
And Imma tell you something about dem niggas  
We all niggas  
Even you Mc-peezy  
You my nigga  
Fa shizzle (my nigga)

I remember bein 8 wit dat nigga  
The knees I scrapped with dat nigga  
And when I got hungry  
When down on Haight wit dat nigga  
In stored taste wit dat nigga  
And then prayed with dat nigga  
And got it straight with dat nigga  
I saw my fate wit dat nigga  
Learned how to hate wit dat nigga  
I got in shape wit dat nigga  
I became great wit dat nigga  
I hung out late wit dat nigga  
Made my pace wit dat nigga  
When shit popped off  
Evacuate wit dat nigga

Little something about dat nigga  
And den we got my nigga  
And den we got dem niggas  
It's a dirty game

I went to school wit my nigga  
I played hoop wit my nigga  
Got a loot wit my nigga  
Told all the scoop to my nigga  
Looked at them too wit my nigga  
Is this me or you my nigga  
Copped bitches, blue my nigga

'cause I'm true to my nigga  
I came ?? wit my nigga  
Always on cue wit my nigga  
When it was who, my nigga  
I told her shoo from my nigga  
I eat glue wit my nigga  
Im never through wit my nigga  
And when we needed some blunts  
I bought two for my nigga  
You see I'm cool with my nigga  
Would know what to do wit my nigga  
What you wanna do my nigga  
Be up till two wit my nigga

Type of shit I do wit my nigga  
Type of shit we deal wit dem niggas

So I got the book from my nigga  
The shit I took from my nigga  
The hos I shook wit my nigga  
I got off the hook wit my nigga  
You should meet dat nigga  
Get a bite to eat wit dat nigga  
Make a beat wit dat nigga  
And hit the street wit dat nigga  
'cause im hella cool wit dat nigga  
Im always true wit my nigga  
Done major shit wit dat nigga  
And I just cant quit my nigga  
I had a fro wit dem niggas  
Always on the go wit dem niggas  
A lifetime both wit dem niggas  
'cause Im both of dem niggas! shit

Little something bout dat nigga  
And now a little something about my nigga  
Den a little something about how Im dem niggas  
See Im both of them mayne  
Shit gets deep  
Real deep  
Like the eyes of Minolta  
Bet your shit is open  
It's a dirty game like I said  
It's a 430 game  
An S-430 game  
Let it fade on out
