fast lane baby, aint nothin like it, some play it cool,
some get excited, hit 5th gear and you might get
indited,
spend all your cash try to fight it and how ya like it,

the nickatina roll dice - shoot craps, a brand new rap
means a
brand new gat, some rather sit around and snitch like
rats,
aint no tellin' where im at on the map, my chuck taylors
days
stay lays devine, look in the eyes of a rap gad laced
with
rhyme, and its a felony, and its in druthers what they
tellin' me, and in my mind yo thats a penalty,

man baby so mean, she wear those apple bottom
jeans, 90
percent cream, bumpin' the 15, night time got parlay,
plucka
plucka, in the mix now ya cocksucka,

i never leave it alone home, i love a big baked roll, in
your
face freak with plain clothes, yea fly like a kite no cops
in
sight, racin' through the city runnin'every red light,
drivin'
like i hate my life, got a cairn in my vein and my brain
aint
no wife, night time got parlay, plucka plucka, in the mix
now
ya cocksucka,

you get flavour like a skittle when i rip a rhyme riddle,
your
face is in da pillow den i shoot it in da middle, ya 26
words
in the alphabet, and i use all 26 to get there grips,
cause
you can see me on the highway, the plane, the plane
mein,

nickatina lake for a slate again, with hot weatha, hot
leatha
and hot chedda, you bring the beats with the hot
boretta,

my souls controlled by the late billy holiday, me and
eric
strung got all the way, rainy alarm with the charm of a
nickel
as barm, then i sell you somethin that shoot straight in
your
arm, and get a plate from duct tape to wear the bait,
some man
made jars didnt give a little shake, i hope ya got
somethin, 4
pound on your waist, because i drive like i dont have
breaks,

cause its, the fast lane baby, aint nothin like it, some
play
it cool, some get excited hit 5th gear and you might get
indited, spend all your cash tryin' to fight it,

uh, you see im cold blooded, gary petters go glovin',
lovin'
to play it cool but we heat it like an oven, i bowl gord in
borgeon, with all fairness, aint no turnin' back, i burn a
sack so careless, sly just like stone, high all alone,
glowin', rap crews oblivious all outta they zone, and i
was
told to treat em cold, a blow, ever keepin' flow, theres
no
reason to tell a leader, go, this is a rush, the outspoken
in
the pissed discussion, like N.W.A im always into
somethin',
and im a record like a athlete, out shone stampy, rollin'
with
motha fuckas just doin the damn thing, livin' life too
fast to
catch it but got it mastered, down, now get mad and
lash out,
classic, genuine rappin', watch the boy play, cant
escape the
game the range is point blank,

when it come to cash yea man some might divide it,
but when it
come to me dont try it, gotta com-plaint, boys ride toys
on
chrome, baby you drunk, you need to go home, 15

quick and ill
thug rug bone, first of the month and roll another blunt,
tonight i got cranberry juice in my cup, you starin' at a
rap,
cant freak, what up, night time got parlay, plucka
plucka, in
tha mix now ya cocksucka,

put on your seat belt, need help im about to go fast, no
bitchin' motha fucka, so dont even ask, forget about
the past,
you betta do the math, freaks tryin' to put their dirty
hands
on the cash, more keys than a piano, you like to travel,
think
all the fours that flows, reach the ammo, retreat to the
shadows, fire in the battle, you might see me on your
favourite news channel, 2, 7 or maybe even 5, money
on my mind
, you can see it in my eyes, talkin much shit i dont eva
have to
lie, unless its to a judge, but then i gotta grudge, a
game
where there aint no love, money, cars, strip bars and
the
hardest drugs, night time got parlay, plucka plucka, in
the
mix now ya cocksucka, night time got parlay
