Im like some coca-cola
Better yet a motorola
Man time is gettin shorter
Or should i say like colda
Man cats is gettin bolder
From moving banking soda
Man bullets dance like clubs on them hot corners
I kick it live and wicked
Like a winning lotto ticket
Man hide your money
Hide your dope
And hide your ruler biscuit
It's like so devastated
The way i stay so jaded
So keep your clorox when you see me 'cause I cant be faded
Its about that scrilla mail
Some suckas bite they nails
'cause they just sold their soul like a crack sale
All outta black mail
All in them packed jails
Until you get there man you think its like a ghost tale
But check it out i see ya
But wouldnt wanna be ya
'cause even all in korea
They know nickatina
Man i could be your neighbor
Your favorite icecream flavour
Your city county mayor
Alaskin polar bear
A Maserati that halts the freeway
In a majorway
Man get at me today YO! SO!
I swang like peter parker
I walk like johnny walker
Some cats they welcome back man
Like i was mister carter
I dress like darth vader
Snap back like alligator
8 packs of nowandlaters
Well call like auto traders
Love doin my motha favors

Talk shit with major players
Stay away from space invador cock blockin playa
haters
I stay in good season
No matter what the reason
And i be screaming at demons until i aint breathin
N yo i aint leaving
Until i get minez
So crack a 40 for urself because we got time
I keep the speakers bumpin
I keep ya ride slumpin
Ya future looks bright so freak why you here frontin
Japanese they serve me saki
It make me feel like cocky
Remonis dont need 40 when he raps on carlos rossy
Im not a carbon copy
Nothin ever really shocks me
Man im a skinny cat
Man im not big and stocky
I lace your mindthought
Like im your underboss
A loanshark that makes bets that can choke the cause
I ride it rocky yall
Like kawasaki yall
Flew through these streets
Like a snake
Until they stopped me yall
