Punishment is painfull when you know that you deserve  
it  
It's like a hustla on a clucka let me show you how I  
serve it  
Nigga I see you, it's the tall bald eagle  
Representin somethin but you resrepresentin seagull  
Pigeoun! Yeah you's a dirty flyin rat  
You carbon copy cattapiller or should I say fax  
Relax and get jacked like that nigga in Menace  
Fuck around patna and get smacked like a tennis  
Ball! Man did my niggas juss call?  
It's 911 it's yo nigga Dre Dog  
So nigga fuck around and get cut like a canteloupe  
Try ta run and get chewed up like a cheetah on a  
antelope  
Payback's a motherfucka sour dope deal  
Targets make noise like a mutilated seal  
Dead with a scared look on they face  
1995 it's a cocaine race  
The Firm!  
Mothafuckas doin that sherm  
Slug ass niggas get treated like a germ  
So when you see me nigga you'll refer to me as mista  
Or brother in law nigga cause I'm fuckin yo sista  
More bass!  
And it goes like that  
More bass!  
And it goes like this  
More bass!  
And it goes like this  
More bass!  
Yeah, I chews gum and beef jerky  
Eats chicken and turkey  
Nigga you might wound me but you neva will hurt me  
He's cut!  
The left eye's all fucked up!  
One hitta quita got em walkin like a drunk! (hehehehe)  
Skunk and a blunt nigga all rolled up  
Tug boat nigga in the sea juss sunk  
I'm a yacht  
Mothafucka gimme what you got  
All packed in like them nappy dreadlocks

Sardines, all cluckas get that cream  
And ta get it outta you, man I fucked up  
Raise up!  
That paybacks pimp's on the hunt  
Darker than a tinted window, quiet like a monk  
I wanna hear ya cry so I ain't gonna pop ya  
I wanna see ya scream right before I drop ya  
So check this out mothafucka when I got ya  
I'm gonna knock the wind up out ya  
Panic!  
Mothafucka yeah it's the indo mechanic  
Quick until ya start this  
Colder than the arctic  
Step up in the mind of a creep thief artist  
Hungry for the bankroll  
Stripes like a sergeant  
And that's a piece of my mind
