I don't need much attention anymore
sometimes I cringe at the thought
of the things that i did before
And I don't wanna take up all your time
But now I cringe at the thought
of being left behind

[chorus1]
she said, you're not the boss of me
and I don't wanna be
like some guy's gonna try
to be something that I'm not

[chorus 2]
do you wanna kick it with me?
i wanna kick it with you
do you wanna kick it with me?
i wanna kick it with you

everyone has something for you now
and i know, well i hope
that i won't be one of the croud
and if you feel that i am out of line
well i hope, that you don't
but i won't wait in line

i have learned not to offer much advice
cause who am i? just a guy
like i know how to run your life
well i guess, i'll tell you who i am
i'm a man with a plan
if you say god damn

[chorus 1 and 2]

[guitar solo]

[chorus 2]

do you wanna? do you wanna?
do you wanna kick it with me?

do you wanna? do you wanna?
do you wanna kick it with me?

cause i wanna
and i'm gonna
yes i wanna kick it with you
do you wanna kick, kick, kick it with me?
i wanna kick it with....

everybody's got
something new to offer you
and all the
wonderful things that they can do
i keep it simple
i just wanna kick it with you
