In the streets I look around  
to see the pretty faces of the town  
Everywhere I'm so amazed, baby  
never seen such grace now baby  
I want something and I want it right now  
I have to get to someone somehow  
Everywhere I'm looking my baby  
just to find a little loving my baby  
Carry me Carry me  
Carry me into the sun  
Carry me into the sun  
In the crowd I get so aroused  
I see people and they walk so proud  
I wish to hold your hand now baby  
squeeze it tight as hard as I can baby  
Ever since I was a little child  
had a dream that was pretty wild  
Someone would just take me away  
bring me on to another day and  
Carry me Carry me  
Carry me into the sun  
Carry me into the sun  
When I see beauty my heart stands still  
can hardly breathe and I lose my will  
a pair of green eyes has left me dazed  
Lord help me I'm falling from grace  
The burning sun  
The burning sun
