A man is a man you can always begin to choose  
He fell into your dreams and your dreams they are no  
excuse  
He's calling from the chambers of your heart and  
now it's time to choose  
A journey to the Promised land where we can win or  
loose

I remember how it was I remember how it goes...

Chorus:

Cuz you you're the reason why I'm high holler in the sky  
Tell me someone has a reason tell me why  
I am like the ocean waving bye bye  
Tell me someone has a reason tell me why

A man is a man he is not afraid to play the fool  
He fell into your dress and your dress it felt nice and  
cool

I remember how it was I remember how it goes  
You remember how it was I remember how it goes

Chorus:

Cuz you you're the reason why I'm high holler in the sky  
Tell me someone has a reason tell me why  
I am like the ocean waving bye bye  
Tell me someone has a reason tell me why

Why don't you feel it?  
Why don't you feel the way I do?  
Maybe tomorrow?  
Reasons of why and who is who  
Getting the picture  
Why don't we take it frame by frame by frame

Chorus:

Cuz you you're the reason why I'm high holler in the sky  
Tell me someone has a reason tell me why  
I am like the ocean waving bye bye  
Tell me someone has a reason tell me who

Set this world in motion set this world in motion  
Is it just a notion tell me why  
I am like the ocean waving bye bye
